

ISLAMIC UNIVERSITY OF SCIENCE AND TECHNOLOGY AWANTIPORA, KASHMIR

Office of the Transport

Notice

This is for the information of all the concerned that owing to the reduction in the fleet of University owned buses consequent upon the circular issued by the Ministry of Road, Transport & Highways of India, the University has been constrained to revise the bus routes as per the route plan mentioned in the Annexure-I, as many buses stand discarded.

The Interested students shall apply afresh for availing the transport facility on their respective routes by logging in on the transport portal through their login IDs.

The transport facility, however, would be provided only subject to the availability of vacancies on each route as per the applicable norms and the students shall have no claim based on mere submission of their applications for the said facility.

Further, there shall be no transport facility for the employees of the University owing to limited resultant vacancies for students.
