

## Islamic University of Science and Technology, Awantipora

**Viva-voce schedule for End Term (autumn 2020 Examination) 1<sup>st</sup> Semester SoE&T Regular/Re-register/Backlog students**

**Timing: - 10: 30 A.M onwards**

| Date/day                  | Course Title / Course Code      | STREAM/BRANCH                                   | Faculty Incharge      | Student roll nos.                    |
|---------------------------|---------------------------------|---|-----------------------|--------------------------------------|
| 08-07-2021<br>(Thursday)  | Engineering Mechanics (CIV101C) | Electrical engineering (EE)                     | Mr. Nitesh Kumar      | All students starting from EE-20-01  |
|                           |                                 | Electronics and communication engineering (ECE) | Mr. Adnan Rashid      | All students starting from ECE-20-01 |
| 10-07-2021<br>(Saturday)  | Physics (PHY101C)               | Electrical engineering (EE)                     | Dr. Jafar Sidiq E     | All students starting from EE-20-01  |
|                           |                                 | Electronics and Communication engineering (ECE) | Dr. Shah Ariful Islam | All students starting from ECE-20-01 |
|                           |                                 | Computer science and Engineering (CSE)          | Dr. Tanveer Ahmad     | All students starting from CSE-20-01 |
|                           |                                 | Mechanical Engineering (ME)                     | Dr. Mandeep singh     | All students starting from ME-20-01  |
| 11-07-2021<br>(Sunday)    | Physics (PHY101C)               | Civil Engineering (CE)                          | Dr. Shah Ariful Islam | All students starting from CE-20-01  |
| 13-07-2021<br>(Tuesday)   | Chemistry (CHM101C)             | Electrical Engineering (EE)                     | Dr. Murugavel G       | All students starting from EE-20-01  |
|                           |                                 | Electronics and Communication engineering (ECE) | Dr. Sajad Ah. Bhat    | All students starting from ECE-20-01 |
|                           |                                 | Civil engineering (CE)                          | Dr. Amir Hanief       | All students starting from CE-20-01  |
| 14-07-2021<br>(Wednesday) | Chemistry (CHM101C)             | Computer science and Engineering (CSE)          | Dr. Murugavel G       | All students starting from CSE-20-01 |
|                           |                                 | Mechanical Engineering (ME)                     | Dr. Sajad Ah. Bhat    | All students starting from ME-20-01  |
| 16-07-2021<br>(Friday)    | Communication Skills (ENG 101C) | Civil Engineering (CE)                          | Dr Huzaifa Pandit     | All students starting from CE-20-01  |
|                           |                                 | Mechanical Engineering (ME)                     | Dr. Nayeem            | All students starting from ME-20-01  |
| 16-07-2021                | Basic Electrical                | Electrical engineering (EE)                     | Dr. Mubashir zargar   | All students starting from EE-20-01  |

Islamic University of Science and Technology, Awantipora
