INTRODUCTION

The Islamic University of Science and Technology (IUST), Awantipora, J&K has been established through an Act No. XVIII of 2005 dated: 7th November 2005 passed by J&K State Legislature and notified by the State Government, through Jammu & Kashmir Government Gazette dated: 11-11-2005. While the university started functioning in November, 2005 the teaching programme was started in July 2006.

VISION

The University strives to build a campus and nurture an environment of learning where students can develop, cultivate and support an academic culture that values interdisciplinary learning which is socially responsible to all sections of society - local, regional and global.

MISSION

Conduct and promote studies and research and prepare trained manpower aware of their social and cultural obligations and contemporary issues who would effectively participate in all developmental processes of the nation.

The University aims to build the broad personality of its students, in-fusing in them a sense of belonging and responsibility as constructive members of the society, guided by the norms of universal brotherhood, scientific temper and prepare them to take up the mantle of leadership in all professions of modern world.

Develop adequate linkages and appropriate methodologies to promote contemporary knowledge and to put in place a system that thrives on the concept of competitiveness. The moving spirit in the exercise is to create opportunities for the youth of the state by laying foundation of a knowledge society.

LOCATION

The University is located in Awantipora, a small picturesque town situated on the main National Highway (NH1A) in Kashmir approximately 30 km south of the capital city of Srinagar and just adjacent to the famed saffron fields. This historically significant town was capital of Kashmir during the reign of Raja Awantivarman.
