

ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY AWANTIPORA, KASHMIR

Dated: 10-06-2021

Date Sheet for End Term Examination Regular/old and new Backlog/Repeat) - Autumn 2020						
Branch -Civil, Mechanical and Electrical Engineering Semester: Third & Fifth						
	Third Semester			Fifth Semester		
Date	Civil Engineering	Mechanical Engineering	Electrical Engineering	Civil Engineering	Mechanical Engineering	Electrical Engineering
14/6/2021	Construction Materials			Highway Engineering	Production Management	Electrical Machines II
15/6/2021	Fluid Mechanics	Workshop Technology-I	Analog Electronics/Electronics I			
16/6/2021				Railway, Bridge and Tunnels	Theory of Machines	Power System I / Electrical Power I
17/06/2021	Building Materials and Construction / Building Construction	Thermodynamics-I	Basic Electrical Engineering/Fundamentals Of Electrical Engineering			
18/06/2021				Soil Mechanics and Foundation Engineering / Soil and Foundation Engineering	Hydraulics and Hydraulic machines	Instrumentation
19/06/2021	Applied Mechanics	Applied mechanics	Electrical Measurements/Computer Programming and Applications			
20/06/2021				Design of Concrete Structures / Reinforced Concrete Design	Manufacturing Technology	Power Electronics/Industrial Electronics and Control of Drives
21/06/2021	Surveying I	Elements of Electrical and Electronics Engg.	Electrical Engineering Materials/Electrical and Electronic Engineering Materials			
22/06/2021				Generic Skills and Entrepreneurship Development	Generic Skills and Entrepreneurship Development	Energy Management
23/06/2021	Civil Engineering Drawing I	Material science	Electrical Engineering Design and Drawing			
24/06/2021						Microprocessor/ Digital Electronics and Microprocessor
25/06/2021		Machine Drawing -I/Mechanical Engg. Drawing -I				

Examination Timing:- 11:00 am (Online Examinations)
