

ISLAMIC UNIVERSITY OF SCIENCE & TECHNOLOGY

AWANTIPORA, KASHMIR

Delegation from Skill Development J&K visits IUST

Awantipora, Oct 07: A delegation led by the Principal Secretary Department of Skill Development J&K Dr. Asgar Hassan Samoon along with the Director Skill Development J&K Sudershan Kumar and others visited Islamic University of Science & Technology (IUST) on Thursday. Dean Academic Affairs Prof. A H Moon and Registrar IUST Prof. Naseer Iqbal

while welcoming the delegation informed them about the ongoing and pipeline academic programs and the infrastructural development projects in the University.

Dr. Samoon visited the Govt. Polytechnic College IUST and discussed various academic and infrastructure related matters of the said college. Dr. Samoon said that the Government under skill development programme, is committed to impart skill-based quality education for providing need based, technical and professional human resources to the community.

Dr. Samoon also visited various University departments and centres of the varsity and interacted with faculty and students. He appreciated the state-of-art facilities developed by the University in various subjects. While lauding the efforts and contribution of the IUST for promotion of skill based education in science and technology, Dr. Samoon expressed the hope that the University shall continue to grow in other frontier areas of science and technology.
