### Selective Dissemination of Information (SDI) Service (for research scholars)

Rumi Library is pleased to announce the launch of a new personalized research service **"Selective Dissemination of Information (SDI)"** for the research scholars, which is designed to keep them updated based on their customized and personalized topics of interest and area of research. This initiative aims to strengthen the research being conducted in the university and facilitate the availability of information resources to the research scholars.

The registration form is available on the Rumi Library webpage under forms tab. All the research scholars are encouraged to visit the Journals Section (Periodicals) of the Rumi Library to submit their registration forms and receive tailored information related to their research.
