Rumi Library, IUST is pleased to inform that we are going to start **“MEET THE LIBRARIAN”** six monthly programs which are aimed to enhance user support and engagement with the library. We strongly believe that your opinions, suggestions and recommendations will help us improve our library services and serve you better.

The program will serve as a platform to:

1. Address your queries directly related to library resources and facilities.
2. Collect feedback from users related to all spheres of the library.
3. Assist and guide the users in understanding various services of the library.
4. Guide the users in utilizing print and electronic resources.
5. Invite suggestions related to collection development and improvements in the library services.

All research scholars, students and other stakeholders are encouraged to attend the program and support in the development of the University Library System. The program is scheduled to be held on **06-08-2025 at 11:00 a.m.** in the Rumi Library and you can also reach to us at librarian@iust.ac.in for any feedback.
