IUST Conducts Workshop on Career Advancement Scheme and Research Publications

Awantipora, August 20: The Islamic University of Science and Technology (IUST) through its Directorate of Internal Quality Assurance (DIQA) in collaboration with Rumi Library, organized a workshop on *Career Advancement Scheme (CAS) and Research Publications* to strengthen faculty awareness of UGC regulations and research publishing standards.

In his inaugural address, Dr. Peer Bilal Ahmad, Director DIQA, underscored the importance of a thorough understanding of UGC guidelines, noting that errors in CAS applications often delay promotions.

The workshop included two technical sessions. Dr. Farooq Hussain Bhat, Deputy Director DIQA, elaborated on UGC Regulations (2016 & 2018), while Dr. Sheikh Mohammad Imran, Librarian IUST, delivered an extensive session on research publications, highlighting research ethics, plagiarism, cloned journals, and best practices in publishing. Faculty members from the Schools of Engineering & Technology, Health Sciences, and Architecture & Planning, along with Library and DIQA staff participated actively. Dr. Athar ud Din, Deputy Director DIQA, proposed the vote of thanks.
