IUST's Arabic dept. holds Outreach Programme for Kupwara Students

Awantipora, Oct 14: The Department of Arabic, Islamic University of Science and Technology (IUST), Awantipora, organized a one-day outreach programme for students of *The Institute of Arabic Language and Islamic Studies for Girls*, Kupwara, as part of the University's Outreach Program to familiarize students with higher education opportunities in Arabic studies and to strengthen academic linkages between IUST and institutions in north Kashmir.

The visiting students were briefed on academic opportunities through the National Institute of Open Schooling (NIOS), distance education, and the Four-Year Undergraduate Programme (FYUGP) at IUST. Dr. Irshad Ahmad Mir, Coordinator Community Connect, highlighted the research-oriented components of FYUGP, while Dr. Waheed, Head of the Department, spoke about academic prospects and facilities. The students also visited other academic and scientific infrastructure at the varsity. The Institute is managed by a department alumnus.
