IUST's Nursing College organises health camp at Charar

Awantipora, Oct 14: Alamdar Memorial College of Nursing and Medical Technology, Charar-i-Sharief, a constituent college of the Islamic University of Science and Technology (IUST), organised a Health and Wellness Camp at the Ziyarat Sharif of Sheikh-ul-Alam (RA) on the occasion of the Urs Day on October 9.

The camp was aimed at promoting health awareness, preventive healthcare and providing accessible medical services to devotees and members of the local community

Faculty members, including Junaid Khurshid, along with nursing students, actively participated in the programme. Prof. Dr. Zamrooda Mushtaq, Principal of Alamdar Memorial College of Nursing and Medical Technology, was also present on the occasion.

The programme was conducted with the support of the AYUSH initiative of IUST. Doctors and healthcare professionals associated with AYUSH were present at the camp and conducted health check-ups and provided medical consultations to the people attending the camp.

As part of the initiative, free medicines were also distributed to beneficiaries as per medical advice. The medical team provided necessary guidance regarding health, preventive care and general wellness.

The initiative reflects the commitment of IUST and its constituent college, Alamdar Memorial College of Nursing and Medical Technology, towards community engagement and the promotion of preventive and accessible healthcare services.
