Assistant Registrar (Procurement & Stores) /
Member Secretary Central Purchase Committee.

SELECTION OF CONSULTANT FOR PREPARATION OF DETAILED PROJECT REPORT (DPR) FOR SETING UP 10 MWp GRID - CONNECTED GROUND MOUNTED SOLAR POWER PLANT AT CAMPUS – II, IUST AWANTIPORA

For and on behalf of IUST, the EOI has been floated for Engagement of Consultant to prepare a Detailed Project Report (DPR) related to development of 10 MWp Grid- Connected Ground Mounted Solar Project at IUST Awantipora. The intended Bidders should quote the rate including all kind of taxes (Central and State taxes etc.) in Indian Currency.

1. **Objective of Engagement:** The consultant shall prepare a Detailed Project Report (DPR) for development of 10 MWp Ground Mounted Solar Project including indicative level Transmission Network & Sub Station for evacuation of Solar power.

- 1.1 **Location of the Project:** IUST Campus II Awantipora Kashmir.

Longitude: 75.025939°

Latitude: 33.930119°

Elevation: 1790m above sea level

- 1.2 The DPR is to be prepared as per the specific site and location of the project. The intended bidders are advised to conduct a site survey before preparation of detailed project report. The Ministry of New and RenewableEnergy (MNRE), Government of India and State Policy (if any) of Jammu Kashmir Power Development Corporation Limited (JKPDC) / Jammu & Kashmir Energy Development Agency (JAKEDA) should be followed during the preparation of DPR.

- 1.3 It shall be imperative on each intended bidder to fully acquaint himself of all local conditions and factors, which may have any effect on the execution of the contract covered under these documentsand specifications. It must be understood and agreed that such factors have properly been investigated and considered while submitting the proposals. It may be noted that IUST Campus is manned by its own security personnel.

2. Eligibility Criteria:

- a. The bidder can either be a firm/organization registered in India under the legal applicable laws or a consultant approved by the government agency to undertake such contracts shall be eligible for the bid.

b. The following are the minimum eligibility criteria:

- The Bidders must be a reputed consulting Company / Firm with high degree of technical and financial capability with understanding and experience of multiple aspects of complete Solar System & Distribution System planning including engineering, Survey/ GIS mapping works, Socio- economic analysis & conducting technical studies as required for the preparation of DPR etc., and shall substantiate their claims by submitting the relevant documents.
- The Bidder's Consultant/Consultant should have prepared/assisted in at least one DPR

- /study of at least comparable magnitude related to the project in the last five (05) years for the Government Department/Private Organizations/Ministries etc.
- The average annual turnover of the bidder should be on the positive side over last three financial years.
 - The Bidders should have a registered office in the country and staffed with the requisite manpower for preparation of DPR.
- c. Proposals of all the bidders shall be evaluated based on appropriate marking system. The categories for marking and their respective weightage are as under:

Sl. No	Criteria for Technical Bids	Break-up	Max. Weightage
1	Past Experience of the Firm		35 Marks
1.a	Consultant/Bidder should have prepared at least one detailed report related to or any other Government Department/Organizations/Ministries/Agencies and shall be engaged with the union territory of Jammu and Kashmir on implementation of Solar Energy Projects in last five (05) years.	15 Marks	
1.b	The Consultant/Bidder should have carried out consultancy assignment for similar assignment for preparation of Detailed Project Report (DPR) in India or abroad.		
	1 project	10 Marks	
	2 Projects	15 Marks	
	>= 3 Projects	20 Marks	
2	Qualification of Technical Experts		30 Marks
	Team of qualified technical experts/specialists in the respective field with sound academic record and work experience		
	Team Leader – The Team Leader should be graduate / postgraduate in Renewable Energy / Solar Energy / Power System Management/Electronics/Electrical engineering with experience of 10 years in PV based system installation/commissioning. No marks shall be awarded in case the experience is less than the minimum experience as defined in the Break-up column.	10 Marks (on pro-rata basis with minimum experience of 3 years)	
	Solar Energy Expert- Should be a Master's degree in Renewable Energy / Solar Energy / Power System Management/Electronics/Electrical engineering having experience of minimum 7 years. No marks shall be awarded in case the experience is less than the minimum experience as defined in the Break-up column.	08 Marks (on pro-rata basis with minimum experience of 2 years)	
	Financial Expert – A financial expert with a minimum 5 years of relevant experience. No marks shall be awarded in case the experience is less than the minimum experience as defined in the Break-up column.	07 Marks (on pro-rata basis with minimum experience of 3 years)	

	Civil Engineer/ Mechanical Engineer / Electrical Engineer with 5 years of experience in field	5 Marks (on pro-rata basis)
--	---	-----------------------------

	installations of PV systems No marks shall be awarded in case the experience is less than the minimum experience as defined in the Break-up column.	with minimum experience of 3 years)	
3	Financial Strength of the consultant/ bidder		15 Marks
	Average Annual turnover between ₹ 01 Crore to 03 Crore (Last 3 years)	5 Marks	
	Average Annual turnover for more than ₹ 03 Crore upto and 06 Crore (Last 3 years)	10 Marks	
	Average Annual turnover above 06 Crore (Last 3 years)	15 Marks	
4	Understanding of Preparation of DPRs		20 Marks
	Adequacy of Methodology and the proposed workplan with respect to the scope of work. To be justified through presentation before evaluation committee of IUST		
	Total		100 Marks

3. **Selection of the Consultant/Bidder for Engagement:** Only top six bidders as per their score of the technical bid shall qualify and be selected for opening of financial bid.

The formula for selection of the bidder shall be based upon Total Score calculated from Combined Technical Bid and Financial Score (CTFS):

$$\text{Total Score} = (0.7 * \text{Marks scored in Technical Bid}) + (0.3 * \text{Financial Score})$$

Calculation of Financial Score: (LFB/F * 100)

LFB = Lowest Financial Bid Amount, F = Quoted Amount

4. **Indicative Scope of Services:** The scope of work for preparation of DPR for development of 10 MWp Ground Mounted Grid-connected Solar Project including Transmission Network & Sub Station for evacuation of Solar power at IUST Awantipora shall be as follows:
- Site visit and data collection: **To conduct site visit and necessary data collection required for preparation of DPR**
 - Feasibility analysis report
 - Detailing of existing scenario
 - Suitable technology to be adopted
 - Preparation of Concept Plans/ Simulation Data with drawing etc.
 - Budget estimation
 - Projected revenue generation under different business models like **CAPEX/BOOT/BOO etc as applicable to solar power plants.**
 - Any other Items/works, which are not mentioned above and required for the preparation of DPR.
 - Bidding and Evaluation of the bids received and furnishing award recommendation report to university for the award of the Contract for establishing solar park.
 - Preparation and floating of tender document for selection of the EPC**
5. **Deliverables and Schedule of Delivery:** The deliverables and schedule of delivery for DPR for development of 10 MWp Ground Mounted Solar Project including Transmission Network & Sub Station for evacuation of Solar power at IUST Awantipora are as under:

- a. DPR preparation should include a section on feasibility covering distribution network & Sub Station for evacuation of Solar power at IUST Awantipora. DPR submission shall be within 06 weeks from the date of signing the contract.
- b. Bidder shall be called for a presentation before the authority of IUST Awantipora

6. Selection of Agency

The broad procedure for engagement of Consultant/Bidders constitutes as under:

- a. **Submission of EOI:** Bidders shall submit its EOI in two forms; the technical proposal, and the financial proposal.
- b. The bidder shall seal the technical proposal and the financial proposal in two separate envelopes, which shall be marked as “**TECHNICAL PROPOSAL**” and “**FINANCIAL PROPOSAL**”. These two envelopes shall then be sealed in a single outer envelope (**MAIN ENVELOPE**) and clearly mark as “**EXPRESSION OF INTEREST (EOI) FOR SELECTION OF CONSULTANT/BIDDER FOR FEASIBILITY TEST and PREPARATION OF DETAILED PROJECT REPORT (DPR) FOR SETTING UP 10 MWp GROUND MOUNTED SOLAR POWER PLANT AT IUST AWANTIPORA**” as per the mentioned schedule through Speed Post Registered Post /Courier or By Hand at the address mentioned below:

**Assistant Registrar, Procurement and Stores,
Islamic University of Science and Technology,
Awantipora, Pulwama J&K - 192122**

- c. Scrutiny & Selection: IUST shall scrutinize all the submissions received on the basis of eligibility criteria and selection to be made accordingly.
- d. Cost of Bid Documents: The cost of bid documents is Rs. **1000/- (Rupees One thousand only)** inclusive of GST in the form of demand draft /Bankers Cheque in favor of "Finance Officer, IUST" from any nationalized/ scheduled bank payable at IUST.
- e. Another sealed envelope containing the HARD COPY of Cost of bid document of Rs. **1000/- (Rupees One thousand only)** inclusive of GST in the form of demand draft /Bankers Cheque in favor of "Finance Officer, IUST" from any nationalized/ scheduled bank payable at IUST, shall be put in the "Main Envelop, which contains Technical and Financial Bid, failing which the bidder shall not be considered for evaluation.
- f. If the envelope is not sealed and marked as mentioned above, IUST shall not be responsible for any misplacement or premature opening. (Telex, cable or facsimile EOI shall be rejected).
