

PROGRAMME: 5 YEARS BACHELOR IN ARCHITECTURE (B.ARCH)

- The Department currently offers Bachelor's Degree program in Architecture. Bachelor of Architecture (B. Arch) focuses on the subjects from the fields of art, design, technology, social sciences and the professional practice of architecture.
- B. Arch program is a generous mix of both theory and studio exercises as well as practical sessions.
- As per the Council of Architecture, New Delhi; the course is now divided into two distinct stages:

1) Basic Stage

2) Advanced Stage.

- The Basic stage or Stage 1 comprises of Semester 1 to Semester 6 and the Advanced Stage or Stage 2 comprises of Semester 7 to Semester 10.
- In Semester 8, students go on a 100-day Professional training to a Registered Architectural Firm.
- In Semester 9 and 10, students deal with more complex and advanced architectural project and also complete the Design Dissertation through Semester 9 and 10 before they complete the B. Arch Course. Bachelor of Architecture (B.Arch) is a 5 year full-time undergraduate degree program. It comprises of 10 semesters.
