

The Kalam Academy of Skill Development and Training (KAST) is a facility dedicated to imparting valuable skills and training to youth. The academy bears the visionary Late Dr A.P.J. Abdul Kalam's name and carries forward his passion for education and commitment to empowering individuals through skill enhancement. With a clear mandate to bridge the gap between theoretical teaching and practical skills required in the professional world, KAST offers diverse training programs and courses tailored to various sectors' needs. Through its state-of-the-art facilities, experienced faculty, and industry collaborations, the academy ensures that students and individuals receive the necessary knowledge, practical skills, and professional guidance to excel in their chosen fields. KAST strives to create a skilled and confident workforce, empowering individuals to contribute meaningfully to society and drive economic growth and prosperity.
