

Prime Locations

Jhelum, Indus, and H3 are strategically located within the main university campus at Awantipora, providing boarders with convenient access to essential academic and administrative facilities. These include various academic departments, the Rumi Library, the Administration Block, the on-campus bank, the university medical dispensary and the university gymnasium. This proximity ensures a holistic residential experience, enabling students to balance their academic, physical, and personal well-being effectively.

Additionally, the Sadr-e-Mouj Girls' Hostel, situated at the serene campus of Alamdar Memorial College of Nursing and Medical Technology in Chrar-i-Sharief, Budgam, offers a peaceful and focused learning environment. Designed to support students of nursing and allied medical programs, the hostel provides an ideal setting for study, reflection, and clinical preparation away from the academic bustle, yet fully supported by necessary amenities.
