

Three-day Workshop on English Language Skills

Date: 22-11-2023 to 24-11-2023

Target audience: Secondary school students from Government High School Padgampora and Government High School Awantipora.

Description:

The workshop, conducted in collaboration with the Office of Community Connect, imparted training to the students in the four basic skills of English Language, aimed at providing them an opportunity to learn skills in a fun and activity-filled manner. The workshop aimed at fostering independent learning and participation attitude among the students. Another area of focus of the workshop was to encourage students to integrate various linguistic skills in a fruitful manner.

Besides having theoretical and practical sessions regarding various skills, the students visited the University library and also took a short tour of the University campus. The students were also provided hands-on training in Language Learning Software in the department's Language Lab.
