CIED-IUST Foundation observed National Education Day

11.11.2024: The CIED-IUST Foundation was observes National Education Day event, which was inaugurated by Prof. Parvez A. Mir, the Director of the CIED-IUST Foundation. This event likely focused on discussions, activities, or initiatives related to the importance of education, fostering innovation in learning, and addressing key issues in the education sector. As National Education Day is celebrated annually to honor the birth anniversary of Maulana Abul Kalam Azad, the first Minister of Education in India, the event might have emphasized his contributions to education in the country. Prof. Parvez A. Mir's inauguration of the event was reflecting the institution's commitment to advancing educational practices, promoting skill development, and engaging with current educational trends and needs.

The Director of CIED-IUST Foundation, Prof. Parvez A. Mir, highlighted the importance of education as a powerful tool for personal development, societal progress, and national growth during the National Education Day event. He emphasized that education plays a pivotal role in shaping individuals, empowering them with knowledge and skills that contribute to their personal growth and well-being

On a national scale, he pointed out that a strong education system is essential for the economic and social advancement of the country. It can help create a skilled workforce that meets the needs of various industries, thereby contributing to the nation's overall growth and development.

In the conclusion of the event, the main aim of observing National Education Day was emphasized as the need to educate more and more individuals. This highlights the ongoing commitment to expanding access to quality education across all levels of society. The event reaffirmed that education is key to empowering individuals, fostering social equity, and driving national development.
