ISLAMIC UNIVERSITY OF SCIENCE AND TECHNOLOGY AWANTIPORA

Office of the Community Connect

Educational Tour by Students of GHS Zehampora

Date:11-12-2024

Target audience: 6th,7th,8th ,9th, 10th class students

Description:

The Office of Community Connect, (IUST) organised an educational tour for the students of the Govt High School Zehampora visited Department of Computer Science and Engineering IUST. The visit included productive discussions about emerging trends in computer science and engineering, emphasizing the importance of collaboration between academia and industry to drive innovation. Faculty and students showcased projects in areas such as artificial intelligence, robotics, and data analytics, demonstrating the department's focus on practical, hands-on learning. During their visit, the students participated in a comprehensive tour of the department's state-of-the-art facilities, including specific labs, innovation centres, and collaborative spaces. The students had the opportunity to interact with faculty and students, gaining insights into ongoing research projects and the curriculum that prepares students for careers in technology.

A total no 76 students along with 15 faculty members visited the campus.
