Department of Philosophy, IUST conducts Outreach Programme at Government Degree College for Women's, Anantnag

Date: 22 April 2024

Target Audience: Students of Government Degree College Women's, Anantnag

The Department of Philosophy under the aegis of the Community connect vertical of Outreach organized an Outreach program at Government Degree College for Women, Anantnag. The aim of the event was to introduce and familiarize students to philosophy as a promising field for higher education where contrary to popular belief, a wide range of professional choices, from academia, legal consultancy to AI language modelling is available. In order to properly familiarize and popularize philosophy throughout the valley, and to reinforce its relevance in the contemporary context, the Department plans to keep up its outreach efforts to other colleges and the wider community setup.
