

## **Kids Kingdom Public School Rahmoo Visits CIED-IUST Foundation for Entrepreneurship Development Program**

28-05-2025: Students from Kids Kingdom Public School, Rahmoo Pulwama, visited CIED-IUST Foundation at Campus-III as part of an Entrepreneurship Development Program aimed at fostering innovation and career awareness among young learners.

During the visit, Prof. Parvez A. Mir, CEO, CIED-IUST Foundation, warmly welcomed the students and provided an engaging overview of the Foundation's mission and objectives. He emphasized the commitment of CIED-IUST Foundation to expanding educational opportunities and addressing students' unique needs through its impactful outreach initiatives.

Mr. Syed Abdul Basit Andrabi, CEO, DST i-TBI at CIED-IUST Foundation, elaborated on the various programs under CIED, with a particular focus on career guidance and skill development. He introduced the students to the dynamic and evolving fields of innovation and entrepreneurship, highlighting the wide range of exciting career prospects these areas offer.

Adding practical insights, Er. Parvez Qalandar, a prominent industry expert, spoke to the students about the importance of early entrepreneurial thinking. He encouraged them to begin envisioning future career paths alongside their academic pursuits, underscoring the value of starting small but dreaming big.

As part of an immersive learning experience, students visit several technology and innovation labs on the campus, including the C4i4 Lab, AICTE IDEA Lab, Computer Lab and Ultratech Cement Lab. They received hands-on exposure to cutting-edge tools such as 3D printers, PCB prototyping machines and laser cutting equipment, offering them a glimpse into real-world technological applications.

The visit was designed to be both inspiring and informative, equipping students with valuable insights, exposure and resources. It aimed to ignite curiosity and encourage the exploration of future careers in technology, innovation and entrepreneurship.
