

## **Open Day held at IUST Campus-III**

18-06-2025: Islamic University of Science and Technology (IUST) hosted an impactful Open Day, drawing students from various schools to its Main Campus. The event featured the much-anticipated Food Fest and Auto Fest and included an enriching visit to the Centre for Innovation and Entrepreneurship Development (CIED-IUST Foundation) at Campus-III.

Designed to foster curiosity and creativity among young minds, the Open Day spotlighted IUST's thriving culture of innovation and entrepreneurship through a series of interactive and insightful sessions.

Prof. Parvez A. Mir, CEO CIED-IUST Foundation, delivered an inspiring address emphasizing on the Centre's vital role in cultivating an entrepreneurial mindset among youth. He spoke about how CIED empowers students by enhancing their critical thinking, problem-solving skills and self-confidence—key ingredients for transforming ideas into scalable ventures.

Mr. Syed Abdul Basit, CEO DST i-TBI, conducted an informative session on the intersection of innovation, entrepreneurship and funding opportunities. He elaborated on how CIED's financial support mechanisms help young entrepreneurs transition from ideation to execution, enabling access to national and global innovation platforms.

Adding a practical dimension to the event, Mr. Showkat Dar, Project Assistant, led a hands-on session demonstrating real-world innovations developed by student and campus innovators. His session provided an immersive look into the tangible outcomes of creativity, leaving students inspired to explore the transformative power of innovation.

As part of the experiential learning journey, attendees toured several cutting-edge labs on campus, including the C4i4 Lab, AICTE IDEA Lab, Computer Lab and Ultratech Cement Lab. Students interacted with advanced tools such as 3D printers, PCB prototyping systems and laser cutting machines, gaining first-hand exposure to state-of-the-art technologies shaping modern industries.

By opening its doors to young learners, IUST reaffirmed its commitment to nurturing future-ready talent through academic excellence, innovation-driven infrastructure and entrepreneurial mentorship.
