

## **CIED-IUST Foundation Organizes One-Week Workshop on Microsoft Excel**

23-06-2025: CIED-IUST Foundation, in collaboration with the Department of Management Studies and 3CP IUST, successfully inaugurated a one-week workshop on Microsoft Excel for Entrepreneurs. The primary objective of the workshop was to provide hands-on training in Microsoft Excel, equipping participants with essential skills for data management, analysis and reporting.

The workshop was inaugurated by Prof. Parvez A. Mir, CEO CIED-IUST Foundation, in the presence of Ms. Iqra Fayaz, expert in Microsoft Office suite, faculty members from the Department of Management Studies, students and other distinguished members of the CIED-IUST Foundation.

In his inaugural address, Prof. Mir emphasized the importance of Microsoft Excel in today's data-driven world, highlighting its relevance across diverse fields such as education, business, research and administration.

Ms. Iqra Fayaz delivered an insightful session on the fundamentals and basic features of Microsoft Excel. Her sessions included both conceptual lectures and practical demonstrations. She also guided participants in preparing and working with Excel sheets tailored to business and entrepreneurial needs.

The workshop received enthusiastic participation and was marked by interactive learning and real-time application of Excel tools and functions. The workshop is scheduled to be held for one week covering advanced features of Microsoft Excel.
