One day exposure visit for school students of Evergreen Public School Nanir Budgam

Date: 07-10-2025

Target Audience: Students of Evergreen Public School, Nanir, Budgam

Description:

The Office of Community Connect (IUST), under the aegis of Dean Outreach, organised an exposure visit for the students of the Evergreen Public School Nanir Budgam, on 7th October 2025. The visit was conducted in collaboration with the Department of **Computer Science and Engineering (CSE)** and the **Department of Electronics and Communication Engineering (ECE)**. The program was specifically designed for 7th and 8th class students to familiarize them with the latest technological advancements and to inspire their interest in science, innovation, and higher education.

A total of 26 students, accompanied by 3 teachers, participated in the program. During the visit the participants explored various laboratories including the Cyber Physical Systems, Robotics and Drone Lab, High Power Computing Lab and Microwave and Antenna Lab.

The students also had the opportunity to interact with various esteemed faculty members from the departments.

Overall, the educational tour offered a rich learning experience and served as an excellent platform to motivate young learners to pursue knowledge in the fields of science and technology.
