

REPORT ON FINAL RESEARCH PRESENTATION OF B.Sc. NURSING FINAL YEAR

The final research presentation of B.Sc. Nursing final year students was successfully conducted on **22nd October 2025** at the **Syed Mantaqui Memorial College of Nursing and Medical Technology (SMMCN & MT), IUST**.

The session was graced by the presence of **Ms. Mubashira Bashir**, Senior Faculty Member, and **Ms. Bushra Mushtaq**, Research Coordinator, along with all faculty members of the college.

During the event, the final year students presented their completed research projects as part of their academic requirements. Each group systematically presented their study background, objectives, methodology, findings, and conclusions. The presentations reflected their diligent efforts, understanding of research principles, and analytical skills developed throughout the course.

A **question-and-answer session** followed each presentation, during which faculty members interacted with the students to clarify concepts, discuss findings, and provide valuable feedback for academic and professional improvement. The session encouraged critical thinking and enriched the research learning experience for all participants.

The event concluded with words of appreciation from the faculty, commending the students for their hard work, dedication, and professionalism in presenting their research work effectively.

Overall, the final research presentation was a **successful academic exercise**, marking the culmination of the students' research journey and showcasing their preparedness to contribute to evidence-based nursing practice.
