

Govt. Degree College Kargil Visits CIED–IUST Foundation for Entrepreneurship Awareness Program (EAP)

03-11-2025: Students from Government Degree College Kargil visited the CIED–IUST Foundation, Campus-III, as part of an Entrepreneurship Awareness Program (EAP) aimed at fostering innovation, skill development and entrepreneurial thinking among young learners.

Prof. Parvez A. Mir, CEO CIED–IUST Foundation, warmly welcomed the visiting students and introduced them to the CIED mission, vision and objectives. In his address, Prof. Mir emphasized the growing importance of entrepreneurship in today’s world and encouraged students to pursue skill-oriented courses to enhance their career prospects. He also highlighted the significance of innovation-driven entrepreneurship as a catalyst for sustainable growth and self-reliance.

As part of the immersive learning experience, the students toured various technology and innovation facilities, including the C4i4 Lab, Design & Development (D&D) Lab, Training & Development Lab and UltraTech Cement Lab. They also participated in hands-on sessions with advanced tools such as 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser cutting equipment—gaining valuable practical exposure to real-world technological applications.

The visit proved to be both insightful and inspiring, providing the students with meaningful exposure, resources and a deeper understanding of emerging opportunities in the fields of technology and entrepreneurship.
