

**PM Shri Govt. Girls High School Lukbawan Dooru Shahabad Visits CIED–IUST
Foundation for Entrepreneurship Awareness Program (EAP)**

19-01-2026: Students from PM Shri Government Girls High School, Lukbawan Dooru Shahabad, Anantnag, visited the CIED–IUST Foundation, Innovation Campus, as part of an Entrepreneurship Awareness Program (EAP) aimed at promoting innovation, career readiness and entrepreneurial thinking among young learners.

The students were warmly welcomed by Mr. Adnan Ali Khan, Incubation Manager, DST i-TBI at CIED–IUST, who introduced them to the Foundation’s vision, mission and objectives. He highlighted the institution’s commitment to expanding educational opportunities and addressing the aspirations of students through meaningful outreach initiatives.

Mr. Mohd Umar Wani, IT & Finance Associate, DST i-TBI at CIED–IUST Foundation, further briefed the students about the wide range of programs offered under CIED. He focused on career guidance and skill development, encouraging students to explore the dynamic fields of innovation and entrepreneurship. He also advised them to actively participate in skill-based courses to enhance their competencies and future employability.

As part of the experiential learning session, the students visited various technology and innovation laboratories, including the C4i4 Lab, DND Lab, Computer Lab and Ultratech Cement Lab. They observed and interacted with advanced equipment such as 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser cutting systems, gaining practical exposure to real-world technological applications.

The students also explored the Food Technology Lab at the IUST main campus, where they learned about the scope and opportunities of food technology in the field of entrepreneurship.

The visit proved to be highly informative and inspiring, providing the students with valuable exposure, practical insights and a broader understanding of future academic and entrepreneurial opportunities.
