

**Delhi Modern Public School Pampore Visits CIED–IUST Foundation for
Entrepreneurship Awareness Program (EAP)**

18-08-2026: Students from Delhi Modern Public School, Pampore, visited the CIED–IUST Foundation at the IUST Innovation Campus to take part in an Entrepreneurship Awareness Programme (EAP), aimed at introducing young learners to innovation, emerging technologies and the opportunities offered by the startup ecosystem.

The student delegation and accompanying faculty members were received by Prof. Parvez A. Mir, CEO, CIED–IUST Foundation, who provided an overview of the Foundation’s vision, mission and initiatives undertaken to promote innovation, creativity and entrepreneurial thinking among students and aspiring entrepreneurs.

Interacting with the participants, Prof. Mir emphasized the increasing relevance of entrepreneurship in a rapidly evolving professional landscape. He urged the students to develop curiosity, creativity, problem-solving capabilities and practical skills, while encouraging them to view entrepreneurship as an important avenue for future career development.

The programme also featured an experiential tour of the Foundation’s advanced facilities, including the i-Factory Lab, Design & Development (D&D) Lab, Training & Development Lab and UltraTech Cement Lab. During the visit, the students were familiarized with a range of modern technologies and witnessed hands-on demonstrations involving 3D printers, 3D scanners, PCB prototyping machines, CNC machines and laser-cutting equipment.

The exposure visit provided the students with an opportunity to understand how innovative ideas can be transformed into practical solutions through technology, experimentation and entrepreneurial thinking.
