CIED-IUST Foundation Conducts Valedictory Session for Multiple Programs

18-09-2025: CIED-IUST Foundation organized the valedictory session for a series of academic and skill development programs, including the One-Week Faculty Development Program (FDP) on Innovation, Prototyping & Technology-Driven Manufacturing (organized by DST NIDHI i-TBI in collaboration with CIED-IUST Foundation), a One-Week Workshop on Microsoft Excel, a One-Day Skill Program on Tally Accounting and a One-Day Workshop on Roof topping.

The valedictory session was presided over by Prof. Shakil Ahmad Romshoo, Vice Chancellor, IUST, in the esteemed presence of Prof. Abdul Wahid, Registrar IUST, Prof. A. H. Moon, Dean Academic Affairs, Prof. Parvez A. Mir, CEO CIED-IUST Foundation, Mr. Sameer Wazir, Finance Officer, IUST, Dr. Aabid Hussain Shalla, Dean Research, along with HoDs, program coordinators, faculty members from various departments and students.

In the one-week Faculty Development Program (FDP) on Innovation, Prototyping & Technology-Driven Manufacturing (organized by DST NIDHI i-TBI in collaboration with CIED-IUST Foundation), 20 faculty members participated and actively engaged in the sessions.

The one-week Workshop on Microsoft Excel and the one-day Skill Program on Tally Accounting witnessed the participation of around 60 students, who received hands-on training in Microsoft Excel and Tally Accounting tools.

In addition, a one-Day workshop on Roof topping was organized in association with Ultratech Cement at Campus-III, in which 20 students participated. During the workshop, the participants gained practical exposure and learned various applications with respect to roof topping.

During the session, certificates of participation were distributed among the attendees. The programs received positive feedback, with participants finding the sessions highly engaging and enriching.
